STUDENT: _____

INSTITUTION: _____

EVALUATOR: _____

DEPARTMENT & POSITION: _____

<u>STUDENT EVALUATION:</u>	outstanding	upper 10%	upper 25%	average	below average
-----------------------------------	-------------	--------------	--------------	---------	------------------

Academic Ability:

Research Ability:

Communication Skills:

Please provide additional comments in the space below or preferably in a separate attached letter. Comments concerning how the neutron x-ray scattering school would benefit the student's current and future career are particularly helpful. If you are the student's advisor and have multiple applicants, it is helpful to indicate for the selection committee if you have a particular preference for one individual(s) provided not all can be accepted.
